

WEDDING FULL FILM SHOT LIST

This list gives me an idea of how you want your full video to look. Please read the [Wedding Film options](#) on my website that explains what each style looks like.

What style of film do you want? Short and Sweet Film or Full Feature Film?

Bridal Prep

Is there anything else you want to see from bridal prep?

Is there anything you don't want to see from bridal prep?

Ceremony

Is there anything special or important I need to know about the ceremony?

Is there anything else you want to see in the video from the ceremony?

Is there anything you don't want to see in the video from the ceremony?(E.g. gospel songs, mass, communion)

Formal Video/Photo Session

Are you doing a first look? _____

Are you doing a first look with parent(s)? _____

Will you be doing a formal Video/Photo session before or after the ceremony? _____

Where will the session(s) take place?

Reception

Is there anything special or important I need to know about the reception?

Is there anything else you want to see in the video from the reception?

Is there anything you don't want to see in the video from the reception? (E.g. Games, Dollar Dance, Anniversary dance)

Other

If you selected the Full Feature Film style video is there anything that you wanted edited down to a montage that was not mentioned in the editing option description on my website?
(E.g. Introductions, 1st dance, parent dances)

Is there anything I need to know about parking, locations, etc.?
